INSIDE TRACK CONFERENCE

6TH FAMILIAL CANCER CONFERENCE

5-6 June 2014
Madrid, Spain

Chairs:
J. Benítez, ES
R. Eeles, UK
H. Vasen, NL
Dear Colleagues,

The 6th Familial Cancer Conference hosted once again at the Spanish National Cancer Research Centre (CNIO) aims to present the advances in this field from a multidisciplinary point of view. As you know, familial cancer has become an important challenge for oncologists, geneticists, molecular biologists and other professionals, due to its implications not only at the individual but also at the familial and social level. This type of cancers affect several members of a single family, being the identification of high risk families, the knowledge of the genes responsible for specific diseases and their biological functions, the clinical follow up of mutation carriers, the development of new treatments and the discovery of tailored drugs, some of the different challenges involved. In most of countries, the number of professionals working in familial cancer has increased in the last years, demonstrating the interest that has woke up in our society. The Conference wants not only to cover and update numerous topics related to these genetic diseases but also to be a forum of discussion and meeting for professionals, either experienced clinicians and scientists or young people that are starting to work, or just interested in this exiting world.

Thank you all for coming to Madrid and we hope you enjoy a pleasant and successful Conference.

*Javier Benítez, Hans Vasen, Rosalind Eeles*

**LEARNING OBJECTIVES**

- To update recent advances in familial cancer.
- To better define the genetic profile of these cancers and the clinical management of families and patients.
- To depth in the new therapeutic strategies based in animal models.
- To analyze the impact of the new technologies and their contribution to familial cancer risk.

**MAIN TOPICS**

- General concepts in familial cancer; genetic variants and familial cancer; genetic counseling
- Common cancers: The family of breast cancer genes; selection criteria and clinical management; new treatments based in animal models and massive sequencing; colorectal cancer and prostate cancer; genetic and clinical management
- Other hereditary syndromes: Familial pheochromocitoma; pancreatic cancer; PTEN-Hamartoma syndromes; familial renal carcinoma; familial melanoma; Li Fraumeni syndrome; gastric carcinoid; Fanconi anemia
- New technologies applied to research and clinical diagnosis; the role of Consortia in massive sequencing; what to do with the incidental findings?
FACULTY

L. Aaltonen
University of Helsinki, FI

J. Benítez
Centro Nacional de Investigaciones Oncológicas, Madrid, ES

G. Capellà
Instituto Catalán Oncología, Barcelona, ES

P. Devilee
Leiden University Medical Centre, NL

R. Eeles
The Royal Marsden Hospital, Sutton, UK

D. Eccles
Southampton University Hospital Trust, UK

T. Frebourg
Rouen University Hospital, FR

S. Hodgson
St. George's Hospital Medical School, London, UK

E. Maher
University of Birmingham, UK

F. Menko
VU University Medical Center, Amsterdam, NL

R. Milne
Centro Nacional de Investigaciones Oncológicas, Madrid, ES

J.A. Newton-Bishop
University of Leeds, St James' University Hospital, UK

A. Osorio
Centro Nacional de Investigaciones Oncológicas, Madrid, ES

M. Pritchard
University of Liverpool, UK

M. Robledo
Centro Nacional de Investigaciones Oncológicas, Madrid, ES

J. Surrallés
Universitat Autònoma de Barcelona, ES

M. Urioste
Centro Nacional de Investigaciones Oncológicas, Madrid, ES

H. Vasen
Leiden University Medical Centre, Leiden, NL

A. Villanueva
Instituto Catalán Oncología, Barcelona, ES
THURSDAY, 5 JUNE

9:00   Welcome
       J. Benítez, ES

GENERAL SESSION
Chair: J. Benítez, ES

9:10   Hereditary cancer syndromes. An overview
       F. Menko, NL

9:35   Low susceptibility alleles and familial cancer risk
       R. Milne, ES

10:00  Genetic counseling in hereditary cancer
       S. Hodgson, UK

10:25  Oral communication

10:40  Picture, posters, coffee break

COMMON CANCERS I
Chair: F. Menko, NL

11:15  The landscape of breast cancer genes
       A. Osorio, ES

11:40  Selection criteria and clinical management
       D. Eccles, UK

12:05  Personalized treatment strategies based in animal models
       A. Villanueva, ES

12:30  Oral communication

12:45  Lunch break

13:45  Poster session

COMMON CANCERS II
Chair: D.M. Eccles, UK

14:15  (Epi) Genetics of colorectal cancer syndromes
       G. Capella, ES

14:40  Guidelines for the management of Lynch syndromes
       H. Vasen, NL

15:05  Familial prostate cancer. Genetics, clinical management and diagnostic biomarkers
       R. Eeles, UK

15:30  Oral communication

15:45  Coffee break

16:15  Clinical session
       H. Vasen, NL- R. Eeles, UK

17:30  Close
FRIDAY, 6 JUNE

OTHER HEREDITARY CANCER SYNDROMES I
Chair: H. Vasen, NL

9:00  Familial pheochromocytoma. An example of genetic heterogeneity
      M. Robledo, ES

9:25  PTEN-Hamartoma syndromes
      M. Urioste, ES

9:50  The genetics and genomics of familial renal carcinoma
      E. Maher, UK

10:15 Clinical and genetic characteristics of malignant melanoma
      J.A. Newton-Bishop, UK

10:40 Oral communication

10:55 Coffee break

OTHER HEREDITARY CANCER SYNDROMES II
Chair: P. Devilee, NL

11:25 Li Faumeni syndrome. Genetics and clinical surveillance
      T. Frebourg, FR

11:50 Gastric carcinoid. A rare neuroendocrine tumor
      M. Pritchard, UK

12:15 Fanconi anemia: at the crossroad between DNA repair and cancer predisposition pathways
      J. Surralles, ES

12:40 Oral communication

12:55 Lunch break

13:55 Poster session

NEW TECHNOLOGIES APPLIED TO FCS
Chair: M. Robledo, ES

14:25 Research and clinical application of familial cancer exome sequencing
      J. Benítez, ES

14:50 COMPLEXO: A consortium to decipher the genetic complexity of familial breast cancer
      P. Devilee, NL

15:15 Incidental findings in WES. What to do with these data?
      L. Aaltonen, FI

15:40 Oral communication

16:00 Closing remarks
APPLICATION AND ABSTRACT SUBMISSION

Poster/abstract submission deadline 15 MAY 2014.

You may apply and submit your abstract to the organising secretariat online at:

WWW.CNIO.ES/MEETINGS

Instructions for application and abstract submission

Participants with new data relevant to the subject of the conference may submit one abstract to be considered for poster presentation. Only papers whose abstracts have been reviewed and approved by the conference coordinators will be presented.

Abstracts should be written in English and the text should not exceed 3000 characters, title included.

The title should appear in capital letters.

For each author, type surname first, followed by first name and initials (presenting author in capital letters).

List of affiliations after the author’s list.

Indicate 3-5 keywords at the end of the text.

The full address with telephone, fax number and email of the corresponding author must be provided. The corresponding author will receive all the subsequent communication concerning this abstract. Please also indicate your approval for publication in case the abstracts are issued in a journal.

Six abstracts will be selected for the oral presentation. We will notify it to the first author before May 15th.

It is the responsibility of the presenting author to ascertain whether all authors are aware of the content of the abstract before submission.

Poster specifications

The poster size must be 70 cm width and 120 cm height.

On both conference days after lunch break, 30 minutes have been reserved for poster discussion session. First authors are requested to stay on ground floor next to the poster during that period of time.

PARTICIPANT PROFILE

• Postgraduate medical doctors at any stage of clinical career
• Participants interested in familial cancer from a clinical or genetic point of view.
• Experienced clinicians or genetists, and oncology/biochemistry/biology trainees.
• Scientists (PhD)
HOTEL ACCOMMODATION FORM

FAMILIAL CANCER CONFERENCE, 5-6 JUNE 2014, Madrid, Spain

Please fill in this form in BLOCK CAPITALS and send to:

BCD TRAVEL - BTC POZUELO, Camino Cerro de los Gamos, 1. Edificio N°3, Planta 2a, Parque Empresarial Cerro de los Gamos, 28224 Pozuelo de Alarcón (Madrid), Spain
Tel: +34 91 7992559 - +34 91 351 90 70 - Email: pozuelo.1545@barceloviajes.com

Please reserve hotel accommodation by 10 May 2014 to ensure availability.

After this date availability and rates will not be guaranteed and are to be confirmed on request.

OBSERVATIONS

Once the confirmation is made, the cancellation policy will be sent by email depending on the selected hotel. BCD Travel - BTC Pozuelo will charge the amount to the credit card previously established as the confirmation. All cancellations must be sent writing to pozuelo.1545@barceloviajes.com
REGISTRATION
Registration may be carried out online (www.cnio.es/meetings). Registration fee is €200. Registration and payment must be processed by 15 May 2014. Registration will be open until 15 May or until the seating capacity is filled. After this date, registration will only be available on-site at the rate of €300. The registration fee covers admission to the conference, a copy of the programme book, coffee and lunch throughout the conference as indicated in the programme.

CANCELLATION OF REGISTRATION
In case of cancellation without replacement, the fee less handling charges of €60 will be refunded, provided a written request is received by the Centro Nacional de Investigaciones Oncológicas (CNIO) before 15 May 2014. No refund can be made if notice of cancellation is received after this date. Refunds will be settled after the conference only. Replacements will be accepted only before 24 May 2014.

OFFICIAL LANGUAGE
The official language of the conference will be English. No simultaneous translation will be provided.

CME ACCREDITATION AND CERTIFICATES OF ATTENDANCE
Application for CME recognition will be submitted to the Accreditation Council of Oncology in Europe (ACOE) and to the European Accreditation Council for Continuing Medical Education (EACCME), an institution of the European Union of Medical Specialists (UEMS). EACCME credits are recognised by the American Medical Association towards the Physician’s Recognition Award (PRA). Information on the status of the applications can be obtained from the organising secretariat.

All participants will be issued with a certificate of attendance at the close of the conference in return of the completed evaluation questionnaire.

BADGE
The badge is the only official evidence of registration and should be worn at all times during the conference. Loss of badge means loss of registration.

INSURANCE
The organisers bear no responsibility for untoward events in connection with, before, during and after the conference. Participants are strongly advised to take out their own personal and travel insurance coverage.

15/05/2014: poster/abstract submission and registration deadline
15/05/2014: cancellation deadline
24/05/2014: replacement deadline
